

Project Stepping Stone 2012 Ambassador Pledge

STUDENT PARTICIPANT PLEDGE

I understand that Project Stepping Stone helps me to explore college and different careers with the intent that I will continue to participate in the program with the expectation of 100 percent completion. If my application is accepted, I pledge to attend all workshops and social functions listed in the program guide and follow the guidelines of the program. I also understand that **inappropriate behavior** will not be tolerated throughout the duration of this program.

Entiendo que Project Stepping Stone me ayudará a explorar las posibilidades de asistir a una Universidad. Además me expondrá a diferentes carreras. Entiendo que hay una expectativa que completaré cien por ciento del programa. Si aceptan mi solicitud me comprometo a asistir a todos los talleres y a los eventos sociales indicados en la guía del programa y me comprometo a obedecer las reglas del programa. También entiendo que no se tolerara **comportamiento inapropiado** durante toda la semana de Project Stepping Stone.

AMBASSADOR PLEDGE

I understand that Project Stepping Stone is designed to open doors to opportunities. As a former PSS Student, I am committed to helping PSS mentors and interns show students that their dreams of college are attainable goals. If my Ambassador application is accepted, I pledge to show leadership skills and set an example for the other students in all that I do. I also understand that as a PSS Ambassador, **inappropriate behavior** will not be tolerated throughout the duration of this program. Lastly, I will keep in mind that my actions, words and behavior are representative not only of Project Stepping Stone, but also of NSHMBA – Indianapolis Chapter.
